Illness Prevention
As we move into cold/flu season, please remember to help us all stay healthy by washing hands frequently and staying home when ill. Thank you!

Colder Weather
Friendly reminder that our classes go outside twice daily. Don't forget your child's jacket, sweater, hat, etc.

COAT DRIVE
The Gregory Frey Coat Drive box sits just inside the front door. We're are collecting new or lightly used sweaters, coats, hats, etc. The coat drive was created by Gregory's family after his unexpected passing. The drive is a non-profit organization giving back to the community in Gregory's memory. Help us give back to the families who need it most this winter! The drive will go through **Friday, November 1st**. Thank you all for support and kindness!

Welcome, Ms. Kaylee!
Kaylee has recently joined the K-Prep team and will be working evenings. She has her bachelor's degree in psychology, and experience working with children and various youth services. We're excited for her to join the team!
